this most becoming petulance?"

The fortune teller held Polly's little | "I commend you on your decision," enough to survive these sudden Nevertheless, Polly was uneasy, storms, of which the present one-

"You like to hear yourself talk," anapped the maid. "You are simply "You would penetrate the future," eaten up with egotism. Some day began the fortune teller, "and you your head will expand to the bursthave come to me to find out what is ling point and prove the vacuum that

old man with money is to enter into suddenly turned the conversation. "I your life. The stars tell me that you have been to the fortune teller, if you must know."

Jimmy, on the day before, Polly. She had in mind, as she strolled through the camp of these spoke, the sturdy Jimmy Hamilton, picturesque nomada. "Gypsy queens whom she had refused for the third have reputations for being rare city population rarely fall below 20 halted at a point six miles southeast seers," he observed, thoughtfully.

"Rare-fools," stormed the maid. fortune teller. "An old man will en- "I just hate myself for having gone ter your life, and his impetuosity will out there at all. I-I ought to have fairly take your breath away. He known better. No one and read the future," she concluded wisely.

from Polly angrily, and in a turbu- "I deduce, then, that the parcel of lent state of mind she drew her information handed out by the haughty little self indignantly out of awarthy Minerva wasn't at all to

The girl flushed, then the storm Polly Edmunds wasn't supersti- in her eyes suddenly abated and a tious, and it was absurd to believe wicked little imp of mischief danced that she had gone to the fortune expectantly in its place. "It would be nice if I could believe her," she ventured, demurely. "You would advise me to, would you not?"

"Certainly," came from the grinning and unsuspecting Jimmy. 'Gypsy queens are daughters of seventh daughters, you know. They are wise in the occult." Thereupon Polly, with a happy

little smile, unfolded the information vouchsafed by her Roumanian high-

A frown clouded the youth's brow at the completion of the tale. "Rot," he grumbled.

"But," objected Polly, sweetly, "I have your own words for it that these gypsy people are vastly clever. Since talking to you I have no doubt but what it will come out as she said. Anyway, I must wait for my old millionaire man. I always did believe that I should marry for money, and then-who knows-he may be nice; and I can love him, if h is."

Polly was in a rare humor. Never before had she been able to tease this great, good-tempered glant. He never took her refusals to marry him as a good joke. But Polly was to see the sudden fruition of the gypsy's prophesy, whether she believed in it

"Honk, honk!" A most erratic automobile with two occupants came zig-zagging down the narrow road, interrupting for the gestive words of that parchment moment the interesting dialogue between the two young people.

"Honk, honk!" As the great machine reached main true to Jimmy Hamilton; he of them, it suddenly swerved to the the dark brown hair and blue eyes- curb, and one of the occupants was Jimmy Hamilton, who could twist shot catapult-like into the very arms his love words and phrases to the of Polly. Both were thrown to the daintiest proposals ever bringing the walk. In an instant the new and blushes to the cheeks of a maid. She spectacular arrival had bounced to his would not receive any hideous old feet, and even before the astonished Jimmy realized what had happened

The newly arrived was short, fat, "You!" she stamped a foot in the and well on the shade side of sev-
